**e-medic™ AIO 724-IP65**

## Powerful All-in-One PC for medical environments

IP65
Splash-proof

Full IP65 protection.

In operating theatres, emergency rooms, clean rooms and laboratories, computer systems are subject to particularly high requirements with regard to their technical and hygienic properties. Our **e-medic™ All-in-One computers** meet the high requirements for medical electrical devices according to the European standards 60601-1 and 60601-1-2. The fanless computers are quiet, slim and modern panel computers, which especially convince with a full IP65 housing. Optionally, the 24 inch glass panel is also available with touch and combines computer, monitor, keyboard and mouse in one device.

Benefits:

› **IP65 – completely splash-proof**
› **Space-saving due to full-flat design**
› **Also available with touch function**
› **Dual LAN connectors**
› **Integrated WLAN**
› **Antibacterial housing**
› **According to EN 60601-1 / EN 60601-1-2**
› **only 7.8 kg weight**
